Tel: 868.222.5192 Int'l: 786.431.2192
Fax: 868.222.5193 www.sheppard.tt

Strategy Profile

Medium-High Risk

The Blue Marlin Strategy is geared towards investors with higher risk tolerance and longer investment horizons.

Objectives:

The Blue Marlin Strategy is designed for an investor who aims to achieve maximum capital appreciation. Investors in this strategy are usually willing to accept higher risks in order to achieve higher returns and are comfortable with potentially high market fluctuations in their portfolio value. The asset allocation is approximately 80% in equity securities and 20% in fixed income securities while providing diversified exposure to various sectors across global markets.
